TO WHOMSOEVER IT MAY CONCERN

It's my absolute pleasure to recommend RAJDEEP DAS who worked at Viral Fission from 18th January, 2021 - 30th, December 2021. He joined our organisation as a Youth Ambassador and managed to fit in well in a short span of time. He was quick at understanding the work demands and has showcased great work ethics.

Fluent communication & social skills supported him in carrying out campaigns via smooth coordination amongst various departments and elevated the campaigns through garnered insights.

Under a limited span of time, he managed to grasp the necessary knowledge about the workings of a company in a way that makes him the perfect member for any team.

Based on our experience together, I strongly recommend him as a reliable individual & an exceptional candidate.
