

LETTER OF RECOMMENDATION

September 10, 2020
New Delhi

I feel proud to acknowledge that **RAJDEEP DAS** was a crucial part of our Digifuse Family. His/Her position in the organization was **Marketing & Business Development Intern** and his/her tasks involved creating brand awareness of our partner clients using both online social media platforms as well as communication skills. His/Her skills of convincing others, communication and internet savviness were put to test and he/she gained valuable marketing skills and exposure after working with us.

A very curious, committed and hard working person, **RAJDEEP DAS** has by far been one of the most enthusiastic interns for us; both in terms of the curiosity to get more work and the obsession to successfully finish tasks before the deadline. His/Her honest inputs have proved valuable for the future functioning of the organization and running various marketing campaigns of our partner brands. He/She will always be an asset to any organization that he works with and we wish him/her luck and success in all his/her future academic and professional endeavors.

Sincerely,

Tushar Bhatia
