

NEO EDUCATIONAL FOUNDATION

TO WHOMSOEVER IT MAY CONCERN

On behalf of NEO Educational Foundation, I would like to personally recommend Rajdeep Das support their application due to the candidate's satisfactory work as Campus Ambassador of NEO 4.0, a venture of NEO Educational Foundation.

It was fantastic to work on this tremendous, fun-learning journey of NEO 4.0 with this candidate. Qualities like loyalty, sincerity, and a ready-to-learn personality, helped induce new skills and abilities that always served as the backbone of this Ambassador's organizational accomplishments. The candidate can adapt to work environments and has a very positive mindset towards new beginnings. As a Campus Ambassador, the work done reflected a positive scale during the tenure of this whole journey.

The work done was accurate, punctual, and excellent in quality. The NEO Educational Foundation team strongly recommends the presence of Rajdeep Das at your organization.

**Yours faithfully,
Rabina Rana,
Human Resource Manager,
NEO Educational Foundation.**
