TO WHOM IT MAY CONCERN

This is to certify that Rajdeep Das was an active member of the ITC Leader's Program (A part of ISP Leader's Program but with more responsibilities in a separate group) for a period of 7 Weeks from August 2020 to September 2020. At Internshala, ITC Team Leaders are recruited for a higher position of leadership from the group of Training Captains, who are even specially selected from the Training Partners Team on the basis of most active performances, and the Training Partners are none other than a small group of selected top performing ISP Student Partners.

During this period, Rajdeep Das helped the newly recruited ITCs by guiding in their respective roles as well as solving their queries and encouraging them to perform better. Also he showed genuine sincerity and willingness to learn while taking on new assignments and challenges. Rajdeep has mentored each of the Training Captains and prepared them properly for their assigned Training Partners group respectively.

We believe Rajdeep Das would be a great addition to any organization, adding value to fellow colleagues by participating in discussions, and providing a unique perspective on a wide variety of issues.

We appreciate the effort put in and wish Rajdeep Das all the best for future endeavors.

Kind regards,
