

LETTER OF RECOMMENDATION

I am very pleased to write this recommendation on behalf of **Rajdeep Das**. He has been Campus Ambassador at Coding Blocks. As Marketing-Partnerships and Outreach at Coding Blocks, I work with many students who have substantial knowledge of the subject. Each year I notice that only a few outstanding students offer a unique perspective and really embrace their learning of the subject matter. **Rajdeep Das** has consistently shown such a strong desire to learn that I simply could not turn down his request for recommendation. He displayed good leadership skills when involved in group projects. During several team projects, he took charge of the team. He achieved the highest grade for the project work assigned and is very well liked and respected by all the members. **Rajdeep Das** continues to impress me with his knowledge, skill and dedication to his work. Please feel free to contact me if you require further information.
