RECOMMENDATION LETTER

Coding Ninjas - Campus Team would like to recommend

Rajdeep Das

This recommendation is provided on the basis of his excellent work ethics in the Ninja Entrepreneur Internship Programme. Rajdeep has throughout, been extremely motivated and driven towards the assigned tasks. He left no stone unturned in completing the tasks at hand. We would also like to recommend his exemplary influencer skills that he showcased during his tenure with us.

We are confident that Rajdeep will prove to be an useful asset for any organization and will add value to the role he takes up. We wish him all the best for his future endeavors!

21st October 2021

Warm Regards
